AUDITORS REPORT 1969

We have examined the accounts of the Town Clerk, Treasurer, Tax Collector, Trustee of Trust Funds and Treasurer of the Library and find them correct and properly vouched.

Several small discrepancies both plus and minus were noted in the Selectmens books. The total difference was \$6.28. To avoid this situation in the future it is suggested the bookkeeper check with the town treasurer at the end of each month.

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

Less fortunate than our northern towns, we had too many fires. Carelessness in burning trash and discarding smoking material and children playing with fire caused most of the fires. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follows:

Fire Permit

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 a.m. and after 5:00 p.m.

Exceptions

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Penalties

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland, maximum fine is \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smoke in 1970.

REPORT OF FIRE ENGINEERS

During the year of 1969, this department was called six times. In April there was a call to Mello's where a rotten tree was smoldering.

In June the department was called to Atter Brothers, Inc. for a fire which destroyed a packing shed, an equipment shed and various equipment and supplies. Two towns, New Ispwich and Greenville, were also called in through the Mutual Aid System.

In July the department responded to a brush fire in back of the Flood Control Dam on the North side of 101. In July we were called to a car fire on 101 near the state shed. This was an out of state car.

The department made three runs to the dump this year. One in May and two in October.

The engine in our No. 1 truck was replaced and the brakes on the No. 2 truck were worked on. The old Chevy pumper is out of commission due to a freeze up.

Ernest Harling spent two days at the Meadowood School this year, with Chief James Naglie and Assistant Chief Leo Turini, each spending one day.

Chief Naglie attended a twelve week course for firemen offered by the Monadnock Community College.

Dr. and Mrs. John Bird Lloyd again donated \$50.00 to the Temple Firemen's Fund. This fund is used to help us purchase safety equipment for the men.

During the year a total of seven furnaces were inspected and permits to operate were issued.

ROAD AGENT'S REPORT

Money doesn't go as far now. Labor costs are higher; equipment costs more to hire; and repair costs are higher. The number of driveways to be plowed are increasing every year. I feel very fortunate in being able to get winter help when needed.

The TRA project on Hills Wood Road was completed this year. It was graveled, paved, and sealed. Some work was done on East Road cutting trees and brush. There is a balance of \$2,157.50 on the TRA account to use this next year before July first.

Fish Road was graveled from the Dump Road corner to Von Sneiderns. Four culverts were put in on this road, trees were cut, and excavating was done. This should be an all year road now.

Thank you for your support during the past year.

REPORT OF THE PLANNING BOARD

The Planning Board was organized on July 18, 1969, one week after notification of its appointment. Stated meetings, open to the public, have been held on the third Fridays of every month since September and special meetings, similarly open, have been held on the first Fridays of the month since October. A file of the minutes of the Board has been maintained at the Mansfield Library.

The primary effort of the Board has been to study the means, under the zoning and land-subdivision statutes of New Hampshire, whereby the people of the Town may prevent the deterioration of their environment and avoid being saddled by developers with excessive cost for services that benefit primarily the developers. No such means exist that do not to some extent restrict the freedom of action by individuals. Nonetheless, it is expected shortly to be able to lay acceptable proposals before the Town.

At the request of the Selectmen, the Board reviewed the problem of the Town Dump which is a potential source of pollution of the Tobey reservoir. Recommendations for a partial alleviation of the problem were made but a satisfactory permanent solution feasible for a small town has not been found. The matter of solid-waste disposal is a major nation-wide problem.

A proposal to develop a "swimming-hole" in connection with a flood control pond known as Site 25B on Miller Brook was reviewed. It was recommended that the Selectmen place before the Town the matter of acquiring control of the surplus land at the site so that whatever might be done could be so handled as to avoid an attractive nuisance.

Circulation of books for the year was as follows: adult non-fiction, 659, juvenile non-fiction, 612, adult fiction 691, juvenile fiction, 1,586, adult magazines, 133, juvenile magazines, 112, and records 181, making a total of 3,974.

The library added 446 volumes to the collection during the year, 162 were purchased and 284 were gifts. The RCA record company gave us 75 new records. The gift books were contributed by the following: Barbara Mello, Albert Quinn, Mr. & Mrs. Harry Stratton, Ruth Dequoy, Karl Bigelow, Herta Mazza, Charles Willard, Carey Young, Mr. & Mrs. Philip Holmes, Mrs. Hoople & Evelyn Fetzner, Robin Amoral, Alberta Hagar, Maureen Riley, Greenville Library, State Library, Mr. & Mrs. Ernest Harling, Dr. & Mrs. Johnston, Flora Rhind, Ann Sargent, Mary Walker, and Alice Donald.

National Library Week was observed by the trustees holding Open House at the Library, and by an exhibit of Temple artists. The winners of the school contests were awarded their cash prizes during Open House.

The Library purchased a new catalog file this year, and the librarian is working on complete cataloging of the entire collection.

Two groups of the 3rd, 4th, 5th, and 6th graders met at the library for talks on historical items and Temple history.

During the summer some of the school children moved their space men around a map of the moon for each book read during a fun reading program. Preschool children met each week for a story hour.

The new library hours are as follows: Mon. evening 7-9, Wed. 2-5 and Sat. 2-5. A book drop is available for returning books outside of time the library is open.
